Clubs Name New Leaders

The Orders of Athena and Apollo, South High's honorary service clubs for juniors and seniors, this week announced their fall semester officers. Heading the Order of Athena is Joe Burkus, while Roger Huysen heads the Order of Apollo.

Other girl's officers include Virginia Sweet, vice president; Margaret Becker, secretary; Sandra Salveter, treasurer; Karen Laffey, historian; Sue Brown, Girls' League representative; and Diana Worth and Michele Sullivan, sergeants-at-arms. Jerry Fink is vice president of the boys' group, while others are Bob Greene, secretary; Bryon Schweigert, historian; Bill Pollick, sergeant-at-arms; and Ray Cross, treasurer. The two honorary groups will introduce two new traditions at Spartanville this year. A Sweetheart Ball will be held Feb. 14, and is now being planned. Also new is the acceptance of the foreign exchange student, Ann Marie Horn, as an honorary member in the Order of Athena.

Diabetes Assn. Plans Meeting

The Long Beach Lay Society of the Diabetes Assn. of Southern California will meet Tuesday at 7:30 p.m. in the auditorium of the City Health Department, 2655 Pine Ave., according to Charles R. Brantingham, DSC, chairman. The meeting is open to the public without charge. All interested persons are welcome.

WHAT'S DOING
R. S. Pyle, your Telephone Manager in Torrance

"Buon giorno, studenti." That's a greeting eighth graders hear over the telephone twice a week in Grenada, California. This "good morning" begins a long distance Italian lesson taught by a teacher forty miles away. Speakerphones (telephones with a separate speaker and microphone), let the entire class and teacher talk back and forth with each other. This use of the phone in teaching has attracted wide attention.

One tired-of-waiting soldier put a sign in a phone booth near an Army camp in Honolulu that read: "Limit your calls to four girls."

This was once one of our company trucks. And, as some may recall, a few things about this kind of truck made driving an experience. (For instance, the top speed was barely more than twenty miles per hour.) But, despite all shortcomings, driving in those days was relatively safe because of low speeds and the lack of traffic. With today's high speeds and crowded streets and highways, however, safety is a bigger problem. That's why all telephone drivers attend "Defensive Driving" schools, learning to stop accidents before they happen.

Order your Bell Chimes from your Torrance Business Office now!

One item that many people find useful is the Bell Chime. Here a service representative shows a customer how to set it for a pleasant chime, a loud bell or the familiar telephone ring. It's a new kind of telephone bell designed to fit any household situation. If you'd like to learn more about it, call our Business Office. Pacific Telephone
